Objective

MCA student with strong full-stack development, cloud computing, and blockchain skills. Seeking a junior developer role to apply my technical expertise and grow within an innovative team.

Education

Centurion University of Technology and Management, Bhubaneswar — **MCA**   **2023–2025**
Utkal University, Bhubaneswar — **BCA**   **2020–2023**

Experience

Cloud Intern, **DevsIndia**   **Jul–Oct 2024**
Configured and managed AWS services (EC2, S3, **RDS**, and Load Balancer), improving data retrieval by 30% and reducing downtime by 15%.

Web3 Intern, Intense Tech & **Govt. of Odisha**   **2025**
Developed decentralized applications using React, Node.js, and Solidity; deployed smart contracts on **Ethereum** and enhanced transaction efficiency by 25%.

Full Stack Intern, **Interface Software Services,**   Nov **2022–Feb 2023**
Developed 4+ PHP–MySQL web applications and optimized database performance by 40%, improving backend efficiency across projects.

Projects

- **CRCIDF Multi-page React App:** Fully responsive multi-page React application. Link
- **Real Estate Deployment (AWS):** Hosted a real estate website using EC2, RDS, VPC, and Load Balancer.
- **Pizza Chatbot:** Automated pizza ordering using AWS Lex and Lambda.
- **Crypto Tracker:** React app consuming CoinGecko API for live market data. Link
- **BookMyDoctor:** Doctor appointment system built with PHP and MySQL. Link
- **Attendance System:** Attendance management system for institutions. Link
- **Quiz App:** React quiz application with real-time scoring. Link

Skills

Languages: Java, Advanced Java, Data Structures, JavaScript, PHP
Web: HTML, CSS, Bootstrap, Tailwind, AJAX, jQuery, React.js, Node.js, Express.js
Cloud: AWS (EC2, S3, RDS, Lambda, ELB, CloudFront)
Blockchain: Solidity, Ethereum, MetaMask
Databases: MySQL, MongoDB, SQL Plus
Tools: Git, VS Code, Eclipse, Postman

Certifications

- AWS Cloud Practitioner (Attendance Certificate) — May 2024 Link
- Blockchain (IIT Madras Pravartak) — 2025 Link
- REST API with Node.js (Udemy) Link
- Cloud Computing — DevsIndia — Oct 2024 Link
- PHP Full Stack Development — Interface Software Services — 2023 Link
